### TOP 3 PRIORITIES

After the pre-consultations, the top 3 most urgent and demanding issues facing business and government were agreed to be:

- 1** Ethical Employment – ethical recruitment and employment of workers, particularly migrant workers
- 2** Transparency in Supply Chains – improved transparency to enable business to identify and respond to risks of modern slavery
- 3** Safeguards and redress mechanisms – availability of and access to safeguards and redress mechanisms for workers and whistle-blowers

WORK PLAN CONTAINS:

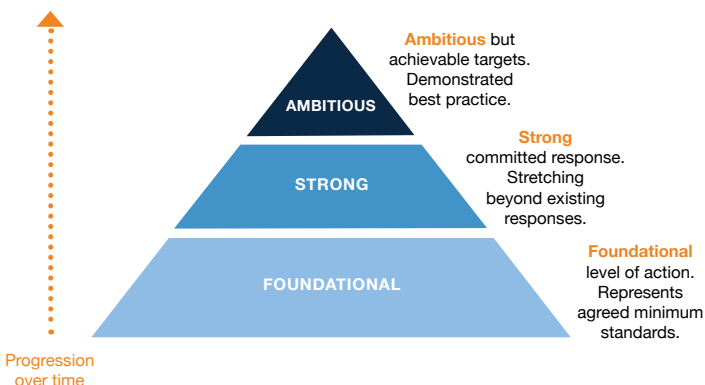

**4** INITIATIVES WITH **23** RECOMMENDATIONS for working groups to explore over the next **12** MONTHS.

### FOUR KEY THEMES

- 1** Education
- 2** Regulation
- 3** Incentivisation
- 4** Innovation

### INITIATIVES FOR IMPLEMENTATION – PYRAMID

The Indo-Pacific is a **dynamic** and **diverse** region. **There is no “one size fits all”**. For these reasons three levels were designed to guide the implementation of any initiatives.

## “3 + 1” – Outcomes Achieved

Business called for, and government supported, the Indo-Pacific Modern Slavery Acts. Goal is Indo Pacific Modern Slavery Acts that address the top 3 points:

- 1** **Transparent and Mandatory Reporting** for large companies
- 2** **Ethical Recruitment Guidelines** to protect at risk workers
- 3** **Appointment of Independent Commissioners**

+ Anti-Slavery Certification for countries that rewards adherence to the above laws.
