INDONESIAN BUSINESS CO-CHAIR

Mr Eddy Sariaatmadja
Founder and Chairman, Emtek

Eddy Sariaatmadja is the Founder and Chairman of a leading business group of media, content and technology in Indonesia, PT Elang Mahkota Teknologi (Emtek). Among its subsidiaries are SCTV and Indosiar, leading national FTA TVs in Indonesia, O Channel, a popular local FTA TV, and KMK which is Indonesia's largest and most diversified digital business group.

Eddy has also been appointed as the member of The National Economic and Industry Committee (KEIN) since 2016 to provide economic and industry-related advice to the President of The Republic of Indonesia.

Eddy is an active philanthropist who is known for his charitable works. He is interested in health and education issues in Indonesia. His generosity has brought numerous free mobile eye clinics and offers large numbers of free cataract surgery to low-income people. This has been done through "smart" partnerships with University of Indonesia's Medical School which simultaneously provide a training ground for eye specialists around Indonesia to perform latest treatment and surgery techniques.

He received a Bachelor of Engineering (Honors), a Master of Engineering, and Honorary Doctorate from the University of New South Wales in Australia.

Eddy is currently 63 years old. His wife, Sofie is also actively involved in charitable causes. They both have 4 children.

AUSTRALIAN BUSINESS CO-CHAIR

Mr Andrew Forrest AO

Founder and Chairman,
Fortescue Metals Group;
Chairman and Founder,
Walk Free Foundation

Mr Forrest is Australia's biggest and most active philanthropist and one of the most effective business leaders of his generation.

As Fortescue's Founder and Chairman he has led the company from inception to its Top 20 status in the Australian economy, during which time Fortescue invested more than US\$20 billion in the resources sector.

In 2001, Mr Forrest co-founded the Minderoo Foundation with his wife Nicola, which has supported over 250 initiatives across Australia and internationally in pursuit of a range of causes. In May 2017, the Forrests announced one of Australia's largest private philanthropic donations of AU\$400 million.

In 2017, Mr Forrest was appointed an Officer of the Order of Australia (AO) for distinguished service to the mining sector, to the development of employment and business opportunities, as a supporter of sustainable foreign investment, and to philanthropy.

He is also a Councillor of the Global Citizen Commission, which made a series of human rights recommendations to update the Universal Declaration of Human Rights presented to the United Nations Secretary General in April 2016.

He was named the 2014 Business Leader of the Year at the Australian Institute of Management Western Australia Pinnacle Awards and was Western Australia's 2017 Australian of the Year for his outstanding contribution to the community.

In 2018, Mr Forrest was honoured with the EY Entrepreneur of The Year Alumni Social Impact Award for the "lasting and exceptional legacy" of his philanthropic work.

CO-CHAIR REPRESENTATIVES

REPRESENTATIVE OF THE BUSINESS CO-CHAIR

Dr Dino Djalal

Founder of the Foreign Policy
Community of Indonesia

Dino Patti Djalal was born in Belgrade, Yugoslavia in 1965.

He joined the Foreign Ministry in 1987, and was subsequently assigned postings in Dili, London and Washington DC. He received his PhD from London School of Economics and Political Science in 2000. In 2004, he was appointed as Presidential Spokesperson and Special Staff for International Relations. In 2010, he was assigned as Indonesia's Ambassador to the United States. In 2014, he was promoted as Vice Minister for Foreign Affairs.

He retired in 2015 and founded the Foreign Policy Community of Indonesia (FPCI), a nonprofit non-partisan group which has become the largest foreign policy group in Indonesia with some 40,000 people in its network. Dino is married to Rosa and blessed with 3 young children.

REPRESENTATIVE OF THE BUSINESS CO-CHAIR

Ms Jenn Morris

Chief Executive Officer,
Walk Free Foundation;
Non-Executive Director,
Fortescue Metals Group

Ms Jennifer Morris was appointed as a Non-Executive Director of Fortescue Metals Group in November 2016. Ms Morris is a former Partner in the Consulting Division of Deloitte, where she specialised in complex large-scale business transformation programs and strategy development. Ms Morris holds a senior position at the Munderoo Foundation as Chief Executive Officer of the Walk Free Foundation and part of her role is leading the Bali Process Government and Business Forum. She has senior corporate governance experience and is currently a Commissioner of the Board of Australian Sports Commission, a former Director of the Fremantle Football Club and the Western Australian Institute of Sport. She was also the Chairperson of the Board of Healthway, the government's peak health promotion body.

Ms Morris was previously a member of the Australian Women's Hockey Team, where she won Olympic gold medals at the Atlanta 1996 and Sydney 2000 Olympic Games. In 1997, she was awarded a Medal of the Order of Australia (OAM). She is a Member of the Australian Institute of Company Directors, a Fellow of Leadership WA, an affiliate member of Chartered Accountants Australia and New Zealand, a member of the Vice Chancellor's List, Curtin University and holds a Bachelor of Arts (Psychology and Journalism) received with Distinction and completed the Finance for Executives at INSEAD.

AFGHANISTAN

BUSINESS LEADER

Dr Ehsanollah Bayat

Chairman, The Bayat Group

Born in Kabul and growing up during the difficult era of the Soviet occupation of Afghanistan, entrepreneur and philanthropist Ehsanollah Bayat made a commitment to help rebuild his nation when given the opportunity. And, in the fifteen years since Ehsanollah Bayat established the Bayat Group of companies in Afghanistan, he has generously implemented his vision through the creation of three important entities fundamental to rebuilding Afghanistan through sustainable development, peace, democracy and employment: Ariana Television and Radio Network (ATN); the Bayat Foundation; and the Afghan Wireless Communication Company (AWCC).

Each of these initiatives has helped redefine key sectors and make significant differences in the Afghan economy and the everyday lives of Afghan citizens, specifically telecommunications that reconnects Afghanistan with the world; unbiased media that empowers and showcases Afghan arts and culture; and effective charitable outreach dedicated to improving the quality of life for the youth, women, poor, and elderly of Afghanistan.

BUSINESS REFERENCE MEMBER

Mrs Fatema Bayat

President & Executive Director, Bayat Foundation; Senior Vice President, Ariana Television

Mrs. Fatema Bayat is President and Executive director of the Bayat Foundation and Senior Vice President of Ariana Television. Through these roles she is a voice for empowering women of Afghanistan through entrepreneurship, education, health care and rule of law. Fatema Laya Bayat moved to the USA in her youth and pursued and received a bachelor's degree in English Literature and Education and a master's degree in Special Education.

Fatema leverages her formal education and teaching experience along with her knowledge of her country of origin to help establish education and health care opportunities for widows, women and youth of Afghanistan.

AUSTRALIA

BUSINESS LEADER

Mr Michael Chaney AO

Chairman,
Wesfarmers Ltd.

Michael re-joined the Wesfarmers Board as a non-executive director in June 2015 and became Chairman in November 2015. Michael graduated with Bachelor of Science and Master of Business Administration degrees from The University of Western Australia in 1972 and 1980 respectively. He completed the Advanced Management Program at Harvard Business School in 1992 and has also been awarded an Honorary Doctorate of Laws from The University of Western Australia.

After obtaining his Science degree, Michael worked for eight years as a petroleum geologist in Australia and the USA. He joined the Australian Industry Development Corporation in 1980 as a corporate finance executive and became Manager for Western Australia in 1981. He joined Wesfarmers in 1983 as Company Secretary and Administration Manager, became Finance Director in 1984 and was appointed Managing Director in July 1992. He retired from that position in July 2005.

Michael is the former Chairman of Woodside Petroleum Limited (retired April 2018) and was Chairman of the National Australia Bank (retired December 2015). He is former Chancellor of The University of Western Australia (retired December 2017) and is currently Chair of the National School Resourcing Board. Michael is also a member of the Commonwealth Science Council and the Australia-Germany Advisory Group and a director of the Centre for Independent Studies.

BUSINESS REFERENCE MEMBER

Ms Fiona Lawrie

Sustainability Manager,
Wesfarmers Ltd.

Fiona Lawrie is the Sustainability Manager with Wesfarmers, based in Western Australia. Fiona has a thorough understanding of the complex environmental and social risks facing large corporations and has experience managing these issues across complex supply chains.

Fiona holds a Bachelor of Arts majoring in international relations from the University of Melbourne and a Master of Environmental Management and Corporate Sustainability from Monash University. Fiona speaks Mandarin fluently having completed her Chinese studies at Liaoning University, Shenyang, and the Political University of Taiwan.

From 2013-2015 Fiona was the Executive Director of the Australia-China Youth Dialogue, the preeminent track two dialogue for emerging Australian and Chinese leaders. Fiona was a delegate on the first and second Australia-China High Level Dialogue co-chaired by the Hon Peter Costello and frequently speaks on the topic of Sino-Australian relations.

Prior to joining Wesfarmers Fiona worked on water projects in China for a number of years, and held commercial roles with ANZ.

In 2013 Fiona was recognised by the World Economic Forum as a Global Shaper.

BUSINESS LEADER

Ms Aum Phub Zam

BUSINESS LEADER

Mr Yukihiro Nitta

Group Senior Vice President,
Fast Retailing Co Ltd

Mr Yukihiro Nitta is the Group Senior Vice President of Fast Retailing where he is responsible for the company's sustainability development program. Fast Retailing is an apparel retailer both within Japan and internationally. Operating through Uniqlo they provide a wide range men's, women's and children's clothing at a market-competitive price.

Mr Nitta is also the Chairman of the Sustainability Committee and the Business Ethics Committee where he seeks to shape the company's approach to sustainability and supply chain management. In these roles he has helped Fast Retailing to adopt more responsible purchasing practices and oversees the publication of the annual sustainability report.

BUSINESS LEADER

Mrs Imam Mutlaq

CEO, Sigma Investments

Iman Mutlaq is the CEO of Sigma Investments, Director of INGOT Brokers, a consortium of multinational financial companies that operate across six continents, and is also part of the Global Alliance Partners, a network of regulated financial services companies focusing on the capital midmarket.

Her most recent accomplishment was the establishment of EGYCOMEX, the first and biggest commodities exchange of its kind in the MENA region to be launched in the 4th quarter of 2017. Besides being a successful business woman, Mutlaq became the first instructor for the art of living foundation in Jordan, an educational and humanitarian movement engaged in stress-management and service initiatives. In early 2014, Iman and a team from Jordan scaled Mount Kilimanjaro to raise funds for the King Hussein Cancer Foundation and raised \$1.3 million for cancer research.

Mutlaq's concerns are focused on women's empowerment. She successfully implemented six programs in Iraq that aimed at supporting 400 women to advance their careers and contribute to the economic growth of the country. Recognizing her professional accomplishments, the Obama Administration invited Mutlaq, among a few entrepreneurs from the Middle East, to attend the inaugural White House Entrepreneurship Summit in 2010 where she met former US Secretary of State Hillary Clinton and the late Ambassador Holbrooke to discuss ways to accelerate women's empowerment in Afghanistan and across the Middle East.

BUSINESS LEADER

Mr Tamaroa Teebaki

Chairman, Kiribati Chamber of Commerce and Industry

Mr Tamaroa Teebaki is the Owner of Tamaroa Business Advisory and Accounting Services and is the Chairman of the Kiribati Chamber of Commerce and Industry (KCCI.) Mr Teebaki is also a member of the Institute of Internal Auditors New Zealand and an accredited consultant and partner for Reckon Accounting Software New Zealand.

Tamaroa is a Certified National Business Trainer from the International Labour Organisation and has used his expertise to train individuals, small and medium sized businesses and state-owned enterprises in accounting literacy.

As part of their mission to promote private sector prosperity, The KCCI is involved in capacity building training programs such as Start-Improve Youth in Business, Debtors Control Training, Payroll Training, Customer Service training, Cash Book training and Start Your Business training.

BUSINESS LEADER

Mr Vanthong Sitthikoun

Vice President, Lao Chamber
of Commerce and Industry

After working in Ministry of Construction from 1986-1991 and as Assistant to the Vice Minister in 1992 -2011, Mr Sitthikoun was nominated as the director of the Company for Development of Agriculture and Industry (DAI). In order to maintain Lao cement brand name and good reputation among domestic as well as imported cement he decided to select one foreign consultant agency for introduction of the ISO system. Finally, in 2006 the company was the first cement enterprise in Laos that received an International Standards Organisation (ISO) certificate for quality management.

From 2008-2018 he was selected as the first person to be President of the Lao Cement Association with the major role of gathering domestic cement companies or enterprises together with the aim of developing the cement industry in Lao PD, and to reduce cement import as well as to stabilize the price in the market.

From 2010-2018 he was elected and has served as an Executive Director and Vice President of Lao National Chamber of Commerce & Industry (LNCCI) which represents the Lao business community entering its fourth decade of operation with a stronger commitment to provide private sector development services for driving a strong sustainable and inclusive economy in Lao PDR.

From 2012-2018 Vanthong was elected as Deputy General Director to the company DAI which is running four cement plants.

BUSINESS LEADER

Datuk Franki Anthony Dass

Chief Advisor and Value Officer, Sime Darby Plantation

Datuk Franki Anthony Dass, 61, a Malaysian, was appointed Executive Vice President, Sime Darby Berhad Plantation Division on 1 December 2010. This position was re-designated as the Managing Director, Plantation Division with effect from September 2015 a position he held till Nov 2017. He is now the Chief Advisor & Value Officer of Sime Darby Plantation Berhad following the Pure Play of Sime Darby Berhad in Nov 2017.

As Managing Director, Plantation Division, he leads and oversees the Sime Darby

Plantation, the world's largest listed plantation Company and the largest producer of certified and traceable palm oil operating in 13 countries including Indonesia and Papua New Guinea with around 100,000 employees worldwide.

Datuk Franki started his career in Kumpulan Guthrie Berhad in 1980 and has over 30 years of working experience. After various postings across Malaysia, Datuk Franki assumed the post of General Manager of Minamas Plantation, Kumpulan Guthrie in Indonesia in 2002. He subsequently became the Chief Operating Officer of PT Minamas Gemilang in 2004, before becoming its Chief Executive Officer in 2007 following the merger of Sime Darby, Golden Hope and Kumpulan Guthrie.

He is the current Chairman of Malaysian Palm Oil Association (MPOA). He is also a member of the Programme Advisory Council of Malaysian Palm Oil Board (MPOB), Board of Trustees, Malaysia Palm Oil Council (MPOC) and Consultative Panel member of Malaysia Productivity Corporation (MPC).

He is Fellowship of the Incorporated Society of Planters (FISP).

He was first elected to political office as a delegate to Second Constitutional Convention in 2005. He was then elected to the Senate as a Write-in Candidate in 2008 and re-elected to the Senate again 2012. He served as the Chairman of the Committee on Ways and Means until the end of 2016.

PAPUA NEW GUINEA

BUSINESS LEADER

**Mr Greg
Worthington-Eyre**
CEO, Trukai

Honorary Doctorate of Technology, MBA (SHRM), MAICD & Accredited Associate of the Institute for Independent Business

Greg joined Trukai in 2013 as Chief Executive Officer. Since joining, he has managed the business through significant sovereign risk originating from market access constraints, and implemented a range of agricultural projects that support both the food security of PNG, and the development of a local rice industry. He has driven Trukai for registration with the World Food Program and supported PNG through the devastating drought of 2015 and more recently, the earthquake in February 2018.

Prior to joining Trukai, Greg was the Managing Director at Pink Hygiene Solutions and Ambius Australia, after time in Singapore as Senior Vice-President for Initial Asia Pacific. Greg started his career at Unilever and over the course of 30 years held numerous positions across Australia and Asia, including Vice President of Modern Trade – Asia Pacific. Greg's country experience also includes China, Taiwan, Philippines and South Korea, where he held board positions focusing on strategic change management, growth and profit delivery.

Greg has an MBA in Strategic Human Resource Management, completing his thesis on Cultural Intelligence (CQ) as a leadership competency requirement of the future. More recently, he was recognised by the University of Technology in PNG through the awarding of an Honorary Doctorate of Technology. This was in recognition of his contribution to the university and the people of PNG.

In 2017, Greg was appointed as the business lead to represent Papua New Guinea in the Bali Process Government to Business Forum, an initiative led by APEC to combat people smuggling, slavery and forced labour practices.

BUSINESS LEADER

Mr Harold Qualao

Managing Director, Qualao Consulting Ltd.

Mr Harold Qualao was born in 1953 in Nabanggahake, Ambae, and feels blessed to be a self-described 'gap-filler'.

Mr Qualao was the first local engineer and between 1978 and 1987 he was appointed as District Engineer, Deputy/Acting Director and then Director of the Public Works Department. He served as a Minister of the Vanuatu Government from 1987 until 1991. During that period, he was responsible for the following portfolios: Civil Aviation, Telecommunications and Energy (1987 to 1989); Trade and Industry (1989 to 1990); and Education, Youth and Sports (1991 to 1991).

Mr Qualao derives great satisfaction from his current role as Managing Director of Qualao Consulting (QCL) since 1992 (originally named VEMCL) and helping to raise up new homeowners.

Mr Qualao is married with three children. He says, "It is a gratifying moment to see someone's dreams come true".

GLOBAL BUSINESS PARTNER

Mr Harry Nurmansyah

Senior Director, Field
Operation Social &
Environmental Affairs Asia
Pacific, Adidas Group

Harry Nurmansyah joined adidas Group in 2001 and has held various positions in the Social & Environmental Affairs Department. He was appointed as the Senior Director Field Operation of SEA in 2013 and is currently based in Jakarta Indonesia. In his position, Harry is responsible for managing social compliance program and supply chain monitoring in all sourcing countries in Asia. He currently leads 25 experienced staff who are based in 7 countries across Asia.

Harry has undergraduate degree in Environmental Engineering and has built in-depth expertise in social compliance from his 19 years of working in this field at his previous company and at adidas.

He has extensive experience in driving sustainability initiatives in supply chain and managing stakeholder engagement, i.e. Government, NGOs, ILO, Trade Union group etc. in this field.

Harry has intimate knowledge of social and economic condition of many countries in Asia and has been frequently involved in handling and resolving high risk cases that occur in the supply chain.

Ms Aditi Wanchoo

Senior Manager -
Development Partnerships
Social & Environmental Affairs
Asia Pacific, Adidas Group

Aditi Wanchoo leads the modern slavery outreach program at adidas to assess and address potential human rights risks for adidas' extended supply chain globally.

Previously, Aditi worked at Accenture in India (formerly Andersen Consulting) where she focused on shaping corporate thought and action to positively impact marginalized communities through Accenture's Corporate Citizenship program. During her eight-year tenure at Accenture, she was also responsible for leading business operations and client services for one of the firm's largest industry groups.

Aditi's experience over the past 16 years spans multiple industries from Financial Services to Media & Entertainment to Information Technology.

Her roles have ranged from implementing human resource management systems and establishing fundraising processes for Greenpeace, an international environmental non-profit to leading the resource development function at Leonard Cheshire International, a global disability rights charity to generating advertising sales for a commercial radio station formerly managed by BBC worldwide.

Aditi holds a post graduate degree in Applied Psychology with a specialization in Organizational Behaviour and Industrial Psychology. She is an Indian national who currently lives and works in Hong Kong.

GLOBAL BUSINESS PARTNER

Mr George (Joji) Yoshimoto

General Manager, CSR Department, ASICS

After graduating from the National Defence Academy, Mr Yoshimoto joined the Japanese Air Force as a jet pilot candidate. In 1986 Mr Yoshimoto made a career change, and commenced his first role at ASICS, a Japanese multinational corporation which produces footwear and equipment designed for a wide range of sports.

At ASICS, Mr Yoshimoto initially worked in the Institute of Sports Science (ISS), developing tennis rackets, grand golf clubs and other sports products. His background in production and interest in business practice led him to pursue a role in the Corporate Social Responsibility and Sustainability Department in 2010. This department consists of two divisions: Safety Quality Assurance and Corporate Social Responsibility. Mr Yoshimoto's current role is to manage three teams: Environment; Supply Chain and Community Engagement.

Mr Didier Bergeret

Director of Social Sustainability and the Sustainable Supply Chain Initiative, Consumer Goods Forum

Didier Bergeret is Director of Social Sustainability and the Sustainable Supply Chain Initiative (SSCI). The main focus of his work is to develop collaborative and practical solutions for the industry to advance responsible supply chains. He notably supports the implementation of the first industry resolution to fight forced labour in global supply chains launched by the CEOs of the Board of the Consumer Goods Forum. This resolution is supported by Priority Industry Principles stating that – *Every worker should have freedom of movement; No worker should pay for a job; No worker should be indebted or coerced to work.* Didier engages stakeholders, institutions and governments with the industry to coordinate efforts on such issues and to drive positive change for companies' own operations and supply chains.

With professional experience in both private and public organisations, Didier's expertise lies in building key partnerships to foster sustainable business performance, NGO management, procurement and consulting services for private and public actors. From an educational background in Political Science and International Economics in France, Germany, Spain and the UK, his international experience and language skills serve him well in his daily work.
