Vulnerability to modern slavery

How vulnerable a country's people are to modern slavery is dependent on a range of factors which reflect the strength of governance, access to basic needs, inequality, disenfranchised groups, and effects of conflict. On a scale of 0 to 100, with 100 being the highest vulnerability to modern slavery, Algeria is rated as 43 and has below average vulnerability for the region. Vulnerability is highest in terms of disenfranchised groups.
